Two (2) points shall automatically be assessed for a crash involvement occurring within three (3) years of the date of the driver record evaluation which appears on the driver history record. Applicants disqualified on the basis of penalty points assessed for crash involvements appearing on their driving record may request a review by the person(s) designated by the employer to determine if they were a cause of the crash(es). The applicant must identify the specific crash involvement(s) to be reviewed. Request a copy of the crash report(s) on the approved form. Mail the form to Crash Records, Texas Department of Transportation at the address listed on the form.

The designated person(s) shall review information pertinent to the crash(es), which should include the **Texas Peace Officer's Crash Report**. In examining this report, consideration of such items as Charges Filed, Investigators' Narrative of What Happened, Diagram, and Factors/Conditions Contributing to the Crash should assist in making a determination as to whether or not the assessment of penalty points is appropriate.

If the designated person(s) determines that the applicant was a cause of the crash(es), two (2) penalty points shall be assessed for each crash.
