Notice of Hearing

JARRAR HOLDINGS LLC

SOAH Docket No. 582-16-3298

TCEQ Docket No. 2015-1708-MWD

Permit No. WQ0015299001

APPLICATION.

Jarrar Holdings LLC, 9119 Emmot Road, Houston, Texas 77040, has applied to the Texas Commission on Environmental Quality (TCEQ) for new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0015299001, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 12,000 gallons per day. TCEQ received this application on September 11, 2014.

The facility will be located at 16825 Hollister Street, in Harris County, Texas 77066. The treated effluent will be discharged to Harris County Flood Control District (HCFCD) ditch 149-00-00; thence to Greens Bayou Above Tidal in Segment No. 1016 of the San Jacinto River Basin. The unclassified receiving water use is minimal aquatic life use for HCFCD ditch 149-00-00. The designated uses for Segment No. 1016 are limited aquatic life use and primary contact recreation.

In accordance with 30 Texas Administrative Code (TAC) §307.5 and the TCEQ implementation procedures (June 2010) for the Texas Surface Water Quality Standards, an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. A Tier 2 review is not required since no exceptional, high, or intermediate aquatic life use water bodies have been identified in the discharge route. Existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received.

The TCEQ Executive Director has prepared a draft permit which, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at the Harris County Public Library, Katherine Tyra Branch at Bear Creek, 16719 Clay Road, Houston, Texas. As a public courtesy, we have provided the following Web page to an online map of the site or the facility's general location. The online map is not part of the application or the notice: <http://www.tceq.texas.gov/assets/public/hb610/index.html?lat=29.9725&lng=-95.523333&zoom=13&type=r>. Dredged material is proposed to be placed into designated upland confined dredge material placement areas (DMPAs) 2, 3, 4A, 4B, 5A, 5B, 7 and/or 8; the New Work ODMDS; and placed for beneficial use to promote beach renourishment, by placing material onto a feeder berm offshore of South Padre Island.

The project was originally proposed as a federal channel improvement project. The applicant is seeking a Department of Army Permit to conduct the work evaluated in the BIH Channel Improvement Project Final Integrated Feasibility Report, dated July 2014. This would allow the applicant to conduct the initial deepening of the channel with private (non-federal) funds. The Corps may elect to enter into an Assumption of Maintenance agreement at some point, after initial work is completed.

CMP Project No: 16-1274-F1

Type of Application: U.S. Army Corps of Engineers (USACE) permit application #SWG-2016-00038. This application will be reviewed pursuant to Section 10 of the Rivers and Harbors Act of 1899 and Section 404 of the Clean Water Act.

Note: The consistency review for this project may be conducted by the Texas Commission on Environmental Quality under §401 of the Clean Water Act (33 U.S.C.A. §1344).

FEDERAL AGENCY ACTIVITIES:

Applicant: Bureau of Ocean Energy Management (BOEM)

Location: Western Planning Area 248 in the Gulf of Mexico

Project Description: Available for review is the BOEM Western Planning Area (WPA) 248 Coastal Management Program consistency determination. BOEM proposes to offer for lease in WPA Sale 248 all available unleased blocks in the WPA, with the exception of whole and partial blocks within the boundary of the Flower Garden Banks National Marine Sanctuary. Qualified bidders would have the opportunity to bid on and lease OCS acreage for the exploration, development, and production of oil and natural gas. The WPA Sale 248 is tentatively scheduled for August 24, 2016. The final decision on whether to hold the sale and the sale area will be announced in the Final Notice of Sale. Based on environmental analysis and the Final Supplemental Environmental Impact Statement, BOEM determined that WPA Sale 248 will be consistent to the maximum extent practicable with the enforceable policies of the Texas Coastal Management Program.

To claim a "Weekly BONUS" Scratch Ticket Game prize of \$1.00, \$2.00, \$4.00, \$5.00, \$10.00, \$20.00, \$40.00 or \$100, a claimant shall sign the back of the Scratch Ticket in the space designated on the Scratch Ticket and present the winning Scratch Ticket to any Texas Lottery Retailer. The Texas Lottery Retailer shall verify the claim and, if valid, and upon presentation of proper identification, if appropriate, make payment of the amount due the claimant and physically void the Scratch Ticket; provided that the Texas Lottery Retailer may, but is not required, to pay a \$40.00 or \$100 Scratch Ticket Game. In the event the Texas Lottery Retailer cannot verify the claim, the Texas Lottery Retailer shall provide the claimant with a claim form and instruct the claimant on how to file a claim with the Texas Lottery. If the claim is validated by the Texas Lottery, a check shall be forwarded to the claimant in the amount due. In the event the claim is not validated, the claim shall be denied and the claimant shall be notified promptly. A claimant may also claim any of the above prizes under the procedure described in Section 2.3.B and Section 2.3.C of these Game Procedures.

B. To claim a "Weekly BONUS" Scratch Ticket Game top level prize of \$500 per week for 20 years, the claimant must sign the winning Scratch Ticket and present it at Texas Lottery Commission headquarters in Austin, Texas. If the claim is validated by the Texas Lottery, payment will be made to the bearer of the validated winning Scratch Ticket for that prize upon presentation of proper identification. When paying a prize of \$600 or more, the Texas Lottery shall file the appropriate income reporting form with the Internal Revenue Service (IRS) and shall withhold federal income tax at a rate set by the IRS if required. In the event that the claim is not validated by the Texas Lottery, the claim shall be denied and the claimant shall be notified promptly.

C. When claiming a Weekly BONUS" Scratch Ticket Game prize of \$500 per week for 20 years, the claimant must choose one of five (5) payment options for receiving his prize:

1. Cash Value Option via direct deposit transfer to the claimant/winner's account. For the top prize, a cash value option may be selected at the time of claiming the prize. The value of the prize will be determined at the time of claim and based on the cost of purchasing the annuity.
2. Weekly via direct deposit transfer to the claimant/winner's account. With this plan, a payment of \$500 less Federal withholding will be made once a week for 20 years. After the initial payment, installment payments will be made every Wednesday.
3. Monthly via direct deposit transfer to the claimant/winner's account. If the claim is made during the month, the claimant/winner will still receive the entire month's payment. This will allow the flow of payments throughout the 20 years to remain the same. With this plan, an initial payment of \$2,326.00 less Federal withholding will be made the month

of the claim. Each additional month, a payment of \$2,166.00 less Federal withholding will be made once a month for 20 years. After the initial payment, installment payments will be made on the first business day of each month.

4. Quarterly via direct deposit transfer to the claimant/winner's account. If the claim is made during the quarter, the claimant/winner will still receive the entire quarter's payment. This will allow the flow of payments throughout the 20 years to remain the same. With this plan, a payment of \$6,500.00 less Federal withholding will be made each quarter (four times a year) for 20 years. After the initial payment, installment payments will be made on the first business day of the first month of every quarter (January, April, July, October).

5. Annually via direct deposit transfer to the claimant/winner's account. These payments will be made in a manner similar to how jackpot payments are currently handled. With this plan, a payment of \$26,000.00 less Federal withholding will be made once a year during the anniversary month of the claim for 20 years. After the initial payment, installment payments will be made on the first business day of the anniversary month.

D. As an alternative method of claiming a "Weekly BONUS" Scratch Ticket Game prize, the claimant must sign the winning Ticket, thoroughly complete a claim form, and mail both to: Texas Lottery Commission, Post Office Box 16600, Austin, Texas 78761-6600. The Texas Lottery is not responsible for Tickets lost in the mail. In the event that the claim is not validated by the Texas Lottery, the claim shall be denied and the claimant shall be notified promptly.

E. Prior to payment by the Texas Lottery of any prize, the Texas Lottery shall deduct:

1. A sufficient amount from the winnings of a prize winner who has been finally determined to be:

a. delinquent in the payment of a tax or other money to a state agency and that delinquency is reported to the Comptroller under Government Code §403.055;

b. in default on a loan made under Chapter 52, Education Code; or

c. in default on a loan guaranteed under Chapter 57, Education Code; and

2. delinquent child support payments from the winnings of a prize winner in the amount of the delinquency as determined by a court or a Title IV-D agency under Chapter 231, Family Code.

F. If a person is indebted or owes delinquent taxes to the State, other than those specified in the preceding paragraph, the winnings of a person shall be withheld until the debt or taxes are paid.

2.4 Allowance for Delay of Payment. The Texas Lottery may delay payment of the prize pending a final determination by the Executive Director, under any of the following circumstances:

A. if a dispute occurs, or it appears likely that a dispute may occur, regarding the prize;

B. if there is any question regarding the identity of the claimant;

C. if there is any question regarding the validity of the Scratch Ticket presented for payment; or

D. if the claim is subject to any deduction from the payment otherwise due, as described in Section 2.3.D of these Game Procedures. No liability for interest for any delay shall accrue to the benefit of the claimant pending payment of the claim.

2.5 Payment of Prizes to Persons Under 18. If a person under the age of 18 years is entitled to a cash prize under \$600 from the "Weekly

BONUS" Scratch Ticket Game, the Texas Lottery shall deliver to an adult member of the minor's family or the minor's guardian a check or warrant in the amount of the prize payable to the order of the minor.

2.6 If a person under the age of 18 years is entitled to a cash prize of \$600 or more from the "Weekly BONUS" Scratch Ticket Game, the Texas Lottery shall deposit the amount of the prize in a custodial bank account, with an adult member of the minor's family or the minor's guardian serving as custodian for the minor.

2.7 Scratch Ticket Claim Period. All Scratch Ticket prizes must be claimed within 180 days following the end of the Scratch Ticket Game or within the applicable time period for certain eligible military personnel as set forth in Texas Government Code §466.408. Any rights to a prize that is not claimed within that period, and in the manner specified in these Game Procedures and on the back of each Scratch Ticket, shall be forfeited.

2.8 Disclaimer. The number of prizes in a game is approximate based on the number of Scratch Tickets ordered. The number of actual prizes available in a game may vary based on number of Scratch Tickets manufactured, testing, distribution, sales and number of prizes claimed. A Scratch Ticket Game may continue to be sold even when all the top prizes have been claimed.

3.0 Scratch Ticket Ownership.

A. Until such time as a signature is placed upon the back portion of a Scratch Ticket in the space designated, a Scratch Ticket shall be owned by the physical possessor of said Scratch Ticket. When a signature is placed on the back of the Scratch Ticket in the space designated, the player whose signature appears in that area shall be the owner of the Scratch Ticket and shall be entitled to any prize attributable thereto. Notwithstanding any name or names submitted on a claim form, the Executive Director shall make payment to the player whose signature appears on the back of the Scratch Ticket in the space designated. If more than one name appears on the back of the Scratch Ticket, the Executive Director will require that one of those players whose name appears thereon be designated by such players to receive payment.

B. The Texas Lottery shall not be responsible for lost or stolen Scratch Tickets and shall not be required to pay on a lost or stolen Scratch Ticket.
