Texas Education Agency

Public Notice Announcing the Availability of Waiver Requests under the Elementary and Secondary Education Act of 1965, as Amended by the No Child Left Behind Act of 2001, Title I, Section 1003(g), Relating to School Improvement Grants

Filing Date. June 15, 2016

Purpose and Scope of the Waiver Requests. Funding for school improvement grants (SIGs) under the Elementary and Secondary Education Act of 1965 (ESEA), Title I, Section 1003(g), provides grants to state educational agencies (SEAs) that SEAs use to make competitive subgrants to local educational agencies (LEAs) that demonstrate the greatest need for the funds and the strongest commitment to use the funds to provide adequate resources in order to raise substantially the achievement of students in their lowest-performing schools. The U.S. Department of Education (USDE) has invited states to submit a state application to apply for fiscal year (FY) 2015 and FY 2016 SIG funds to offer a Texas Title I Priority Schools (TTIPS), Cycle 5 competition. Texas will request a waiver with respect to SIG funding to extend the period of funding availability of FY 2015 and FY 2016 funds.

Specifically, the Texas Education Agency (TEA) will apply for waiver requests on behalf of Texas LEAs to waive the General Education Provisions Act (20 U.S.C. §1225(b)), Section 421(b), to extend the period of availability of FY 2015 school improvement funds for the SEA and all of its LEAs to September 30, 2021, and to waive the General Education Provisions Act (20 U.S.C. §1225(b)), Section 421(b), to extend the period of availability of FY 2016 school improvement funds for the SEA and all of its LEAs to September 30, 2021.

The proposed requested waivers will allow eligible LEAs that receive a Title I Priority Schools Grant to use those funds in accordance with the final requirements for SIGs and the LEA's application for a grant. The waivers will increase the quality of instruction for students and improve the academic achievement of students in awarded schools by enabling an LEA to use more effectively the school improvement funds to implement one of the seven school reform models in its schools.

Texas must ensure in the waiver request that the state has met or will meet all of the eligibility requirements outlined by the USDE and authorized in statute under the ESEA, Section 9401.

Further Information. For more information, contact Leticia Govea with the TEA Division of School Improvement and Support by telephone at (512) 463-1427 or by email at sisdivision@tea.texas.gov.

Issued in Austin, Texas, on June 15, 2016.

Texas Health and Human Services Commission

Public Notice - Amendment to the Community Living Assistance and Support Services (CLASS) Waiver Program

The Texas Health and Human Services Commission (HHSC) is submitting to the Centers for Medicare & Medicaid Services (CMS) a request for an amendment to the Community Living Assistance and Support Services (CLASS) waiver program, a waiver implemented under the authority of section 1915(c) of the Social Security Act. CMS has approved this waiver through August 31, 2019. The proposed effective date for the amendment is August 31, 2016, with no changes to cost neutrality.

This amendment request proposes to make the following changes:

1. Appendix B and J - Increase the number of individuals that can be enrolled in the waiver at any point-in-time and the maximum number of unduplicated individuals that can be served based on legislative appropriations.
2. Appendix C-1/C-3 Prescribed Drugs (Extended State Plan Service) and Appendix J - Prescribed Drugs (Extended State Plan Service) -

The waiver is being changed to clarify eligibility for prescription drugs through the CLASS waiver program. As a result of the transition from the fee-for-service delivery method to the managed care delivery method for acute care services, effective September 1, 2014, individuals in the waiver who are enrolled in managed care for their acute care services receive unlimited prescription medications through managed care and therefore do not qualify for prescriptions through the waiver. Dual eligible individuals are excluded from enrollment into managed care and, thus, are still eligible for prescription medications through the waiver if they exhaust non-CLASS waiver resources first (such as the Medicare Prescription Drug Plan and the Texas Medicaid State Plan resources). The acute versus waiver dollars for prescriptions will be revised to better reflect the source of funding for prescription costs.

3. Appendix B - Make a technical correction to Medicaid eligibility groups identified in the Code of Federal Regulations (CFR) and Texas statutory citations. The citations will change from Transitional Medical Assistance §1902(e)(1)(A), §1925, 42 CFR 435.112 (any age) and Spousal Support Transitional §1902(a)(10)(A)(i)(I), 42 CFR 435.115(f) (any age) to Transitional Medical Assistance §1902(e)(1) and Spousal Support Transitional 1931(c)(1), 42 CFR 435.115(f) (any age). These changes do not affect eligibility.

4. Appendix J - As a result of the implementation of community first choice (CFC), the costs associated with CFC are being transferred from waiver costs (Factor D) to acute care costs (Factor D').

The CLASS waiver, first authorized September 1, 1991, provides community-based services and supports to eligible individuals as an alternative to an intermediate care facility for individuals with intellectual disabilities. CLASS waiver services are intended to, as a whole, enhance the individual's integration into the community, maintain or improve the individual's independent functioning, and prevent the individual's admission to an institution. Services and supports are intended to enhance an individual's quality of life, functional independence, health and welfare, and to supplement, rather than replace, existing informal or formal supports and resources.

An individual may obtain free copies of the proposed waiver amendment, including the CLASS settings transition plan, or if you have questions, need additional information, or wish to submit comments regarding this amendment or the CLASS settings transition plan, interested parties may contact Jacqueline Pernel by U.S. mail, telephone, fax, or email. Public Notice - Home and Community-based Services Program Amendment (9), (PN 06140315b)

Waiver amendment to the Home and Community-based Services Program (HCS)

The Texas Health and Human Services Commission (HHSC) is submitting to the Centers for Medicare & Medicaid Services (CMS) a request for an amendment of the Home and Community based-Services (HCS) waiver program, a waiver implemented under the authority of section 1915(c) of the Social Security Act. CMS has approved this waiver through August 31, 2018. The proposed effective date for the amendment is August 31, 2016, with no changes to cost neutrality.

This amendment request proposes to make the following changes:

1. Appendix B and J - Update the number of individuals that can be enrolled in the waiver at any point in time and the maximum number of unduplicated individuals that can be served based on legislative appropriations for waiver years 3, 4 and 5.
2. Appendix B - Make a technical correction to Medicaid eligibility groups. The eligibility group, Former Foster Care Children, is added back into the specified groups as it had been deleted in error during a previous amendment.
3. Appendix J - As a result of the implementation of community first choice (CFC), the costs associated with CFC are being transferred from waiver costs (Factor D) to acute care costs (Factor D').

The Department of Aging and Disability Services (DADS) operates the HCS waiver, under HHSC's authority. The waiver provides services and supports to individuals with intellectual disabilities who live in their own homes, a family member's home, or community settings such as small three and four person homes. To be eligible for the waiver, individuals must meet financial eligibility criteria and need the level of care required for admission into an intermediate care facility for individuals with intellectual disabilities.

An individual may obtain a free copy of the proposed waiver amendment, including the HCS settings transition plan, or to ask questions, obtain additional information, or submit comments regarding this amendment or the HCS settings transition plan, by contacting Jacqueline Pernell by U.S. mail, telephone, fax, or email. Public Notice: SPA 16-0015 Non-Emergency Medical Transportation

The Texas Health and Human Services Commission announces its intent to submit transmittal number 16-0015 to the Texas State Plan for Medical Assistance, under Title XIX of the Social Security Act.

The purpose of this amendment is to update the Non-emergency Medical Transportation (NEMT) program and transportation assurance pages to allow HHSC to provide NEMT services as administrative services or as medical services.

The SPA also revises the State plan for NEMT services to address changes in Region 4. On November 12, 2015, HHSC terminated its contract with Texhoma Area Paratransit System (TAPS), the Region 4 managed transportation organization (MTO), and most of the MTO's subcontracts were reassigned to HHSC. The revision to the SPA will reflect this change in responsibility for delivery of NEMT services in Region 4 from a prepaid ambulatory health plan (PAHP) delivery model administered by an MTO to a fee-for-service (FFS) selective contracting model administered by HHSC.

This SPA does not have a direct impact on client eligibility or the scope of services delivered. The requested effective date for the proposed amendment is April 1, 2016.

To obtain copies of the proposed amendment, interested parties may contact J.R. Top, State Plan Coordinator, by mail at the Health and Human Services Commission, P.O. Box 13247, Mail Code H-600, Austin, Texas 78711; by telephone at (512) 462-6397; by facsimile at (512) 730-7472; or by e-mail at jr.top@hhsc.state.tx.us. Copies of the proposal will also be made available for public review at the local offices of the Texas Department of Aging and Disability Services.

A. Each member must provide to the State Bar and keep updated any contact information requested by the State Bar, including the member's:

- registered mailing address;
- preferred email address;
- electronic service address; and
- telephone number.

B. If a member fails to designate an electronic service address, the member's preferred email address will be deemed to be the member's electronic service address.

C. A member must update the member's registered mailing address, preferred email address, and electronic service address on the State Bar website within 30 days of a change to any address.

D. Service of any notice to a member by the State Bar is deemed to be effective if the notice is sent to the member's registered mailing address or preferred email address.

Section 4. Membership Fees

All membership fees are payable at the time of enrollment as a member of the State Bar and annually on the first day of the State Bar's fiscal year.

Section 5. Membership Rolls and Bar Cards

Upon enrollment, the clerk will enter that person's name on the membership rolls and issue the member a bar card.

Section 6. Default in Payment of Fees or Assessments

If a member is in default of payment of membership fees or any assessment levied by the Court on the 30th day after the due date, the clerk will promptly notify the member of the default. If the fees and assessments are not paid within 60 days after the notice of default is mailed, the defaulting member will automatically be suspended from the practice of law. Practicing law while suspended is professional misconduct and grounds for discipline.

Section 7. Resignation from Membership Other Than in Face of Pending Disciplinary Action

A. A member may resign from membership by delivering to the State Bar the following materials, addressed to the clerk:

- the resignation form provided by the State Bar;
- the member's bar card or, if the card has been lost, a written statement--either sworn to before a notary or made under penalty of perjury--that the card has been lost and will be returned to the State Bar if found; and
- a certificate by the chief disciplinary counsel affirming that no disciplinary action is pending against the member and that the member is not being investigated for professional misconduct.

B. The membership records will be amended to reflect the member's resignation when the State Bar receives and verifies the materials required by (A).

Section 8. Waiver of Membership Fees

A. Waiver for Military Service in a Combat Zone

1. The executive director will waive or refund the membership fees of a member of the United States Armed Forces for any year in which the member serves in a combat zone designated by an executive order of the President of the United States.

2. To request a waiver or refund under this subsection, a member must remit to the State Bar the form prescribed by the State Bar and all required documentation before the end of the dues year in which the member is deployed.

B. Waiver for Undue Hardship

1. The legal services fee mandated by Section 81.054(j), Government Code, may not be waived under this subsection.

2. The executive director may waive some or all of the remaining membership fees of any member who demonstrates undue hardship.

3. Undue hardship exists when a member is unable to pay membership fees due to illness, disability, or other extraordinary circumstances beyond the member's control.

4. To request a waiver under this subsection, a member must, by August 31 of each year in which a waiver is requested, remit to the State Bar:

- the form provided by the State Bar;
- a written statement by the member--either sworn to before a notary or made under penalty of perjury--averring that the circumstances on which the request is based are beyond the member's control and the direct cause of the member's inability to pay membership fees; and
- any other documentation required by the State Bar.

5. Approval of a request for a waiver under this subsection is within the sole discretion of the executive director.

C. Within 30 days after a waiver is granted under this section, the State Bar will report the waiver to the clerk.

Section 9. One-Time Expunction of an Administrative Suspension for Nonpayment of Membership Fees

A. This section does not apply to a disciplinary suspension for professional misconduct.

B. A member who meets the following criteria may request a one-time expunction of an administrative suspension for nonpayment of membership fees:

1. the member has not previously obtained an expunction under this rule;
2. the suspension was for 90 days or less;
3. except for the suspension that is the subject of the expunction request, the member has not previously been suspended for nonpayment of membership fees;
4. the member is not currently the subject of a disciplinary proceeding or investigation; and
5. the member has no record of disciplinary suspension--whether active or probated--or of prior disbarment or resignation in lieu of discipline.

C. The member seeking the expunction must make a written request to the State Bar. After verifying that the member meets the criteria in (B), the State Bar will forward to the clerk the member's request and a recommendation that the member's record of suspension be expunged. The clerk will expunge the suspension from the member's record.

D. A suspension expunged under this rule is deemed never to have occurred. The record of an expunction is confidential and may not be disclosed by the clerk or the State Bar.

Section 10. Return to Former Status

A. When a member who has been suspended for nonpayment of fees or assessments removes the default by payment of fees or assessments then owing plus an additional amount equivalent to one-half the delinquency, the suspension will automatically be lifted and the member restored to former status. Return to former status is retroactive to the inception of the suspension, but does not affect any proceeding for discipline of the member for professional misconduct.

B. A person who has voluntarily resigned from membership must apply to the Board of Law Examiners and comply with the rules of the

Court pertaining to admission to the practice of law before resuming the practice of law.

C. An inactive member may return to active status upon written application to the clerk and payment of fees for the current year.
